To Roger

Mazal Tov and Yashar Koach!

This honor is certainly merited. We thank you for your welcome into the PJC Community. You help us begin each Saturday in song and celebration.

What a perfect way to end the week. In a place where you ensure that "everyone knows our name, and they are always glad we came."

You volunteer so that every b - mitzvah can feel organized and spirited. You help make the PJC into the home that it outwardly resembles.

Thank you Roger for all you do, behind the scenes, as a mentor, with a laugh and a smile and maybe a l 'chayim in the kitchen.

Peace, love, joy.

Marjut, Jonathan, Eliana and Sasha Herzog
